H.265compression is faste

Half the storage space

Video compression saves more space and capacity

Local memory loop recording Memory card slot supports up to 128G TF card. Old recordings will be automatically covered when the card is full
Manual recording: after installing the TF card, the camera can instantly record even without a network. Alarm recording: alarm recording need to work with motion detection after motion detection is enabled, once the camera detects abnormal screen, it will automatically record video and capture image.

Multi-platform viewing

Compact body
Mini size/One hand control

Searches with video when it comes out, your home is safe with your camera. When it comes out, you are always worried about home security A good network camera will bring you a strong sense of security, even when you are outside surveillance at any time, never miss any details

Home care (kids, elders, pets)

Shop monitoring (thief ,clerk, customer)

Enterprise monitoring (thief,staff, customer)

Campus monitoring (teacher, student, mob)

- Brand Name : Vstarcam
- Model Number : C22Q
- Minimum Illumination (Lux) : 0
- Installation : Normal
- Supported operating systems : Windows 10
- Supported operating systems : Windows 8
- Supported operating systems : Windows 7
- Is customized : Yes
- Power supply (v) : DC 5V
- Power consumption (W) : 5W
- Lens (mm) : 4mm
- Network interface : Wi-Fi / 802.11 / b / g
- Power supply : Normal
- Connectivity : IP / Wireless
- Brand Sensor : Omni Vision
- Alarm operation : Local alarm
- Sensor : CMOS
- Type : IP camera
- IR distance (m) : 10m
- Supported mobile systems : Android
- Supported mobile systems : IOS
- Pixel : 4MP
- Dimensions (L x W x D) (mm) : 85mm * 85mm * 98mm
- Style : Mini camera
- Video compression format : H.265
- Wall bracket : Ceiling
- Color : WHITE
- Storage : Built-in Micro SD Card Slot
- Special Features : Indoor Mini PT Camera
- Audio output : Built-in Speaker
- Technology : Pan / Tilt
- OS Supported : PC: Windows; Smart Phone: iOS, Android
- Audio Input : Built-in Mic and Speaker, 2 way audio
- Day / Night Mode : Auto Switchover
- WiFi Standard : IEEE 802.11a / b / g / n, support 2.4G / 5G
- Net Connection Server : P2P, Plug and Play
- Browser Live View : IE, Chrome, Firefox, Safari
- Unit Type : piece
- Package Weight : 0.6kg (1.32lb.)
- Package Size : 15cm x 14cm x 20cm (5.91in x 5.51in x 7.87in)
