Fisheye Lens

Bawofu panoramic camera offers a full 360°-degree overview in one single image, Build in 1.44mm fisheye viewing HD lens

Not to worry any longer

Why is the baby crying?

Are my kids safe with the babysitter?

How are my elderly parents doing?

What shall we eat for dinner today?

Is my pet needing some attention?

Is my home secure while I'm away?

Day/night Vision

IR-Night Vision

Infrared LEDs with sensors see in total darkness. When ambient light drops below a certain point, a device within the camera switches from color to black and white and turns on the LEDs.
